

# **ArtScanner**

**[www.artscanner.org](http://www.artscanner.org)**

1. Upload your images to the ArtScanner Website
2. Print out the barcodes
3. Place them near an ArtScanner pod
4. When people scan your barcodes they will see your images

Visit the Website for details of where ArtScanner pods are located

## **Cuttlefish Digital Arts**

**[www.cuttlefish.org](http://www.cuttlefish.org)**

Cuttlefish Digital Arts is a creative technology and organisation focussed around the creative interests of Sean Clark with bases in Leicester and Loughborough.

We specialise in multimedia performance, live cinema and interactive gallery-based installations.

For more information e-mail Sean Clark on **[seanclark@gmail.com](mailto:seanclark@gmail.com)**  
or telephone **07939 587231**
